**Birds of Prey** – The Canadian Raptor Conservancy specializes in birds of prey, such as eagles, falcons, hawks, owls and kestrels. Each demonstration includes five different raptors from around the world, including some free-flying birds.

**Viking Encampment** – Swordfighting and combat demonstrations, interactive ancient games, try on their armour.

**Ottawa Medieval Sword Guild** – Spontaneous light armour fight demonstrations.

**NEW Camel Rides** – Now you can catch a ride on a camel's back (in the back field)! Up to two people per ride – extra fee applies. Camels will break from giving rides during the jousting shows.

**Artisan and Craft Booths** – Demonstrations will be ongoing at a variety of locations, including archery, maille, candle making and more.

**Wandering Entertainment** – Watch for wandering circus-style acts (including tricks such as juggling, unicycle jousting, Diabolo, rollo-bollo, fire eating, machete ladder), plus strolling musicians, knight and slave, the pickle man and other Medieval characters!

**Weapons of War Demonstrations** – See a life-size trebuchet in action, and **NEW** this year, a ballista and catapult!

**Kids' Games** – A **NEW** kid-friendly ballista and battering ram can be found along the games alley, together with the miniature trebuchets, Frog Jump, Jacob's Ladder, Jail and Stockade. Don't miss the **NEW** photo opportunity at the nearby Phantom Knight!
